

VISITING WDET:

WDET-FM

4600 Cass Ave.

Detroit, MI 48201

Main Number: 313.577.4146

We are located on Wayne State's Campus on the first floor of a 10-story glass/gold apartment building.

When you pull into the driveway on the left of the building, you'll wind around to WDET's entrance, which will be on your right. Directly across from the station is a parking structure. Pull into the structure, take a parking ticket and park anywhere you like.

Please bring your parking ticket in with you.

During business hours, our receptionist will let you into the building. To be admitted after hours and on weekends, use the buzzer to your right in the vestibule to buzz the on-air studio.

Upon leaving, provide your parking ticket to the receptionist and it will be validated for you. **To exit the parking structure, you must first take your validated ticket to the pay machine within the structure itself.** It is located near the staircase to your right as you re-enter the structure.
