

Visiting WDET Studios

ADDRESS

4600 Cass Avenue, Detroit, MI 48201

[View on Google Maps »](#)

FRONT DESK

(313) 577-4146

WDET is located on Wayne State University's campus in Midtown Detroit on the first floor of University Towers (a 10-story, golden glass apartment building). The building is between Cass Avenue and Woodward Avenue, just south of W. Forest Avenue.

The WDET entrance is on the north side of the building across from a three-story parking structure.

PARKING

Directly across from the station entrance is [Parking Structure 8](#). Please pull into the structure and take a parking ticket and **bring your ticket into the station for validation**.

WDET's receptionist will let you into the building during business hours, which are weekdays from 8:30 a.m. to 5 p.m. To be admitted after hours or during the weekend, please use the buzzer on the right side of the vestibule to alert a WDET staff member of your arrival.

Upon leaving, provide your parking ticket to the WDET receptionist team to be validated and sign the parking log sheet. **To exit the parking structure, you must deposit your validated ticket into the pay machine before exiting the structure in your vehicle.** The closest pay machine is located on the east side (right) of the structure, below the staircase. After entering the validated ticket, another ticket will be returned and can be used when exiting the parking structure.

If you have any questions or need of assistance, please contact WDET's front desk at 313-577-4146.
